SpiceRoute Chenin Blanc

Five centuries ago the ancient mariners braved uncharted seas to round the Cape of Good Hope in search of exotic spices. Their nerve and dash inspire the Spice Route philosophy. We've found our signature wine style in the rolling hills along the Cape's West Coast, where low yielding unirrigated vines produce small berries – ripe fruit that is dense, rich and full flavoured. A passionate dedication to exceptional quality and traditional hand crafting captures the essence of this fruit in the wines of the Spice Route.

Low yielding bushvines provide the fruit for this barrel-fermented, full-bodied wine with classic Chenin Blanc notes of ripe pear, baked apple and cloves. This wine will continue to evolve and develop in the bottle.
