Rolling Thunder Barrel Works is our barrel making operation located next to the Rogue brewery and distillery in Newport, Oregon. As the only farmer-brewer-distiller-cooper in the country, we plane, trim, joint, hoop, hammer, bend, toast, croze, bevel, shape, saw, sand, cauterize, and char Oregon oak in an effort to produce about one barrel each day. Rolling Thunder is a symbol of our dedication to doing it ourselves and staying true to our Oregon roots.
