CABERNET SAUVIGNON

ADDENDUM:

2014 NAPA VALLEY
CABERNET SAUVIGNON

Fess Parker was a man of great optimism and curiosity. A man who possessed an uncanny ability to envision what was possible in any given scenario. Accordingly he was ever eager to embrace the next challenge. It stands to reason then that a desire to breach boundaries is woven into the fabric of the next generation of Parkers. Addendum represents that next frontier to be tamed, a continuation of the adventure.
