This collection of wines showcases the birds that reside at or visit 4R Ranch. The Barn Swallow, thoughtfully captured as the bird in hand by resident artist Chris Roper, knows where to find the good juice. Brimming with bold black fruit and berry, balanced by earthy spice and leathery tannin, this wine exemplifies the mystique of this land. 4R Ranch strives to produce handcrafted wines of Old World elegance combined with New World vibrancy, wines that play well with food and that are equally suited to just sit and sip.
