FRESCA  
  
SERIES

Mrs. Green is the audacious partner of our Mr. Green Cider, and part of our Cider Fresca Series. Mrs. Green is a hopped, single varietal cider, made from Rhode Island Greenings and dry hopped with Citra®. This lively, floral focused and citrus forward cider drinks more like a crisp and crushable aromatic wine.

The Greening is a well-known American heirloom apple that dates back to the 17th century - making it one of the oldest cultivated varieties in the world. Citra® adds a delicate perfume that creates a wonderful balance of apple and floral aromas.
