BREWING

The Belgians have been brewing beer since the Middle Ages, so they know a thing or two about making an easy-drinking light beer with big flavor. Our Belgian Blond Ale features coriander and orange peel for enticing aromas and a refreshing finish that any beer drinker in the neighborhood will enjoy, from novice to "Belgian."

GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
