Dry Creek Valley

2016

Cabernet Sauvignon

This wine is a rare example of the special characteristics of a steep mountain vineyard located high above the Dry Creek Valley floor. It boasts a concentrated dark ruby color and aromas of dark plums, cassis, and roasted walnuts. The full, rich body will pursue length on the palate and pair well with hearty meals.

DNA Vineyards is dedicated to combining decades of experience with thousands of years of grapevines' evolving genetics to produce outstanding select wines.
