GOVERNMENT WARNING:
(1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects.
(2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.

ATTENTION - READ BEFORE TAPPING:
This keg may rupture and cause injury if over-pressurized with compressed air or CO₂. Tapping system and pressurized regulator should each be equipped with a pressure relief (blow off) device. If you are not familiar with tapping equipment, consult your retailer or local beer distributor.
