Raspberry Chocolate

Gose Ale

When one of our brewers asked in the raspiest of whispers to brew a beer with raspberry and chocolate, we fell in love with the idea. We tenderly laid down a mash bed of White Wheat, Pale, and Acidulated malts. Magnum hops were used to bitter, and Simcoe and Indian Coriander added some fruity flavor and aroma. 20 pounds per barrel of raspberry, 5 pounds of Theo Cocoa Nibs, and a touch of sea salt to finish out what we hope is more than a one-beer stand.

Manic Series

At Elysian, we're always brewing. When we come up with something that gives us goose bumps, we'll package and pass it to you. Try this one, and tell us what you think at manic@elysianbrewing.com

Brewhouse

We opened our doors in 1996 when bold art and music defined Seattle. We carry that same spirit in the way we brew our beer. It's about taking chances, learning from our missteps, and changing perceptions. Pull up a barstool at elysianbrewing.com
