CASTLEVIEW SAUVIGNON 2006 / RED WINE
89% Cabernet Sauvignon, 15% Merlot

ALGODON
WINE ESTATES

Coordinated: 35° latitude South
Altitude: 800 meters above sea level
Aging: 9 months in French oak barrels

Algodon's Cabernet Sauvignon 2006 shows a bright fruit-forward style with notes of blackberry, plum, and spice. The wine is balanced with acidity and a smooth finish. There is a pleasant texture and good balance between fruit and acidity, a fine and lingering finish.

This wine has been lightly filtered before bottling; it may have a light sediment deposit which does not affect quality at all.

The vineyards of Algodon Wine Estates are located in the foothills of the Sierra de los Andes in San Rafael, Mendoza. With vines dating back to the 1940s, this two thousand acre property is nestled in the heart of Argentina's wine country. This wine is brought to you by Gary & Alda, the day of Argentinian wine industry, as well as the best young winemakers, Mauro Navarro. It is produced by Scott Martin and his partners and advised by Anthony Foster, Master of Wine. Algodon employs state-of-the-art technology in order to bring you the finest quality wines vintage after vintage. "Be healthy, be happy, and appreciate all good things in life."

Algodon - Only the Best.
