TEXAS ALCOHOLIC BEVERAGE COMMISSION

Our project began in 2007 on the heat-protected left bank of the Douro between the river Coa and the Spanish border. The estate is integrated into natural parks and protected landscape and for biodiversity, a considerable area was left unplanted for our nesting pair of Bonelli eagles and other rare species. Made from Touriga Nacional, Touriga Franca and Tinta Roriz, hand-picked at various altitudes, our wine has a deep colour with hints of violet. After twelve months in oak barrels, its aromas of ripe black fruits, blackberries, prunes and cassis are complemented by fresh violets. Full bodied, with excellent balance, Altitude is a classically elegant Douro wine with a persistent finish.
