APPLE
TREE

SERIES

Silver Tip, part of our Apple Tree Series, is a hand-crafted semi-dry cider. Made with a blend of tree-ripened, heritage and culinary apples, Silver Tip is a refreshing and complex cider that pairs well with any occasion.

As the apple tree awakens from its winter slumber, the fruit bud separates at the tip, exposing silver tissue. It is only a matter of months before the silver tip becomes an apple that we press and craft into this refreshing cider.
