New Belgium Brewing Company is Wind Powered and Employee Owned. Savor the Flavor.

ABBEY is brewed in the style of a Belgian "Double" ale. It is mahogany in color with a full body and a distinctive fruity aroma. **ABBEY** is fermented with an authentic Belgian yeast strain and is refermented in the bottle to produce natural carbonation. A small amount of live yeast remains in the bottle giving the ale a freshness and fullness of character. This brew should be served cool (not cold) to best experience the rich aromas and complex flavors.
