DANYOL

SAN FRANCISCO

"Nice Rack, 12 Points"

San Francisco artist danyol was born in 1970 in Orange County, California, and has always nourished himself on a steady diet of pop art, cubism, and sarcasm. danyol's use of his own life and surroundings combine to form a dizzying combination of colors, patterns, and textures. While using equal parts nostalgia and current events together, danyol's pop-influenced mixed media paintings explore the liminal spaces between surface and emotion; gender role, responsibility and reality; along with other inconsistencies in our fragile social fabric.
