Vinification

Fruit was hand-harvested at night. Clones were kept separate; whole cluster pressed. Native yeast began primary fermentation in an egg-shaped vessel. Primary and malolactic fermentations were finished in 30% new French barrels & neutral puncheons over a period of 12 months; 6 months of battonage. Clones were blended after 12 months & finished in stainless steel for 5 additional months. Lightly fined and bottled unfiltered.

Site

Roberts Road is perfect for Chardonnay. Located in the Sonoma Coast AVA and influenced by the fog of the nearby Pacific Ocean, it stays blanketed and cooled until midday allowing for gentle ripening. Well drained, silty gravel soil imparts minerality and a complex richness. This follow-up to our maiden vintage of Westwood Chardonnay serves as a superb counterpoint to our delicious Pinot Noirs from our Annadel Gap Vineyard.
