ViñaSol.

– Back in 1962, having just finished my winemaking studies, I was keen to offer the family some new knowledge. So, in a small inland winery, we fermented Mediterranean grape varieties at low temperature for the first time to obtain a fresher, more aromatic wine: this was how the first “Viña Sol” came into being. Fruity aroma with hints of apple and pineapple, smooth, balanced palate with a fine acidic edge. *Best served chilled (10 °C).*

– En 1962, al finalizar los estudios de enología, quise aportar nuevos conocimientos a la familia. Así, en una pequeña bodega en las montañas del interior, fermentamos variedades mediterráneas a baja temperatura para lograr un vino más fresco y aromático: acababa de nacer el primer “Viña Sol”. Aroma afrutado con recuerdos de manzana y piña, paladar suave y equilibrado con finas aristas ácidas. *Se recomienda servir fresco (10°C).*
