TEXAS ALCOHOLIC BEVERAGE COMMISSION

From the makers of the world's best red wine called Alphabetical, comes Alphabetical Blanc (this translates to Alphabetical White in case you were flummoxed). If you're after heavy wood and overripeness you're holding the wrong bottle. Instead, think of the most drinkable, fresh and lively wine you've tasted all year. Throw in some more adjectives of goodness and you're almost there. We don't own vineyards, so instead work with some of the best farmers to source grapes from across the starkly beautiful Cape winelands. Made with minimal intervention in the cellar, what you get is a white blend that is mineral yet fruity, fresh yet rich. What's in it? Well, where do we start...
