WINE OF ORIGIN WESTERN CAPE

In order to produce the best wine you need to find the best grapes which do not all necessarily come from the same area. This is the unique philosophy behind the Adoro Blend. Our viticulturist seeks out the best vineyards in pursuit of these top quality grapes. Contributing to this philosophy, winemaker, Ian Naude, succeeds in giving Adoro Blend its distinctive style. This partnership leads to a wine which is as diverse and complex as the vineyards from which the grapes are sourced.
