RASPBERRY BRANDY

Where refinement meets bravado

OUR RASPBERRY EAU DE VIE conveys all the intensity of perfectly ripe raspberries—as profoundly aromatic and flavorful as the fruit itself.

As America's original maker of eau de vie, distilling fruit brandy is one of our most sacred tasks. For the last three-plus decades, we have eagerly anticipated each harvest as an opportunity to take an olfactory snapshot to capture exactly what the raw material smells like at its peak of ripeness. Our artisanal process requires 40 pounds of raspberries to make the bottle you now hold. Whether you sip this eau de vie, or enjoy it in a cocktail, it will transport you.
