AUSTIN COCKTAILS

NATURALLY FLAVOURED

Vodkarita

Premium Vodka + Lime
+ Orange + Agave

750 mL 10.3% Alc/Vol
Vodka with Natural Flavors and
Elderberry Extract

Inspired by the ability of the martini to be either a gin or vodka based cocktail, we contemplated if another classic, the margarita, might also accommodate a different base spirit. After some experimenting, the Vodkarita was born.

We preserved the orange and lime fundamental to the margarita heritage, but replaced the earthiness of tequila with the crispness of four times distilled vodka. We layered in fresh orange juice and agave nectar to give it a more vibrant and naturally sweetened finish. Secret fruit flavors help build out the cocktail body and reduce the bite of the strong citrus. The result, we think, is a clean, modern twist on a cocktail classic.

Sediment may occur due to natural ingredients - It's all good!

GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
