GATHER ROUND
BECAUSE
WE'D LIKE TO INTRODUCE
THE CIRCLE

This is the first whisky to emerge from an exciting new Compass Box collaboration, an annual programme called The Circle. Every year, we will invite some of the world's best bartenders to join us at our London blending room. We bring these folks into our world, share with them the ways we think, then let them go and create.

It's an opportunity for them to learn more about Compass Box. Just as importantly, we want them to wow us with their talents. We want participants to be inspired by what we do, by what their contemporaries do, and by what they realise they are capable of when faced with some of the challenges we set them during The Circle sessions. Every year, a limited edition whisky will commemorate the time we spend together. One finalist will be chosen to collaborate with us and create a special blend based on their own original ideas. For 2018, that was London's Rossey Mitchell, who wanted to invent a sunny Sunday afternoon whisky ideal for sharing – an expression of the generosity at the heart of The Circle programme, and of who we are as a business. So here it is – thank you Rossey!
