service ★ courtesy ★ integrity ★ accountability

Established in 1978, CSD Brewing Company began with a simple mission: to brew local, straightforward and delicious beer for the community. Best crafted in good company. Five years on and the CSD family remains dedicated to the quality of our beer and the community that supports our business.

CSD BUE is the culmination of our experience (over 30 and counting) as a blend of some of the finest ingredients, English American Two-row and English Malt. Offered only by the foundation, with a generous dose of English Malted Barley, Black malt and chocolate malt create a beer of subtle dark complexity. American and Belgian crystal malts give volume and depth to the washed character. Multiple additions of the Tuggle Hops impart an earthy, spicy touch to this European inspired stout.

Check out all four years of success and achievement. We hope you're enjoying this as much as we are!
