WAPISA Sauvignon Blanc

“Wapisa” is the indigenous Patagonian word for “whale”.

Not only do whales frequent the nearby coast of our vineyards, but a local legend talks of a wapisa that actually lived on land. Our wines, like the wapisa, are an expression not just of their soils but of the nearby ocean as well.

With its distinctive, vivid aromas and zesty acidity, Wapisa Sauvignon Blanc expresses the complexity of the soil and the sea breezes of the Atlantic Patagonia region. Inviting whiffs of citrus and delicate white flowers with a touch of fresh ginger. On the palate, flavors of pink grapefruit and kafir lime come together with tropical guava to create a refreshing and delicious wine.
