Tannat

Texas High Plains

2017

Alc. 14.2% by Vol.

750 ML

2017 Tannat

Texas High Plains

While Tannat has historically been under the radar for most wine drinkers, it is beginning to explode here in Texas. Its thick skin allows the grape to thrive in our warm summer climate. Robust and full bodied with strong tannins, Tannat is quickly becoming a heavyweight in the Texas wine industry.
