Tears of Corona®

TEQUILA

100% AGAVE AZUL

EXTRA AÑEJO

Cuando era niño, mi padre me habló sobre
la leyenda de la Corona, la hermosa princesa
apfel que se enamoró de un guerrero conquistador.
Alas de un corcel de un guerrero, ella se alió
para con sus hijos. Hasta este día, el perfume
de la Corona vive por las tierras de Edgardo
algunas veces al México antiguo.

La leyenda de la Corona me inspiró mucho
con su pasión y emoción de la vida, la que
he tratado de capturar en mi tequila especial:
Tears of Corona. Hay mucho más que aprender
sobre la Corona, si usted está interesado en:

German Gonzalez is a master tequilero and fifth generation descendant of Manuel Gonzalez, president of Mexico (1880). He learned his trade helping his father select, harvest, distill and blend blue agaves into what many critics believe are the finest tequilas in the world. Tears of Corona is his third creation. His methods are of course proprietary; he has allowed us to disclose that his rare blue agaves have a smoother and more complex taste that comes in part from growing at a higher altitude and letting them ripen longer and roasting them at a lower temperature.
