In 1920, The Volstead Act made prohibition a reality and hard cider vanished from the American landscape for the next 60 years. Only in the past decade has the business of craft ciders exploded and for good reason. Our Sidcar hard cider is dry, light, smooth, and Gluten free. The perfect cider to have any time of the year.

The Pruitt family offer you skillfully crafted wines that explore traditions beyond the mainstream. Tell your friends – we don't make much.
