"Live life that in such a way, remains alive in our death"

From the excellent 2019 vintage this wine was produced from select small parcels of our best Tannat, Merlot and Malbec harvested by hand from the estate. The four varieties were vinified separately and then aged in new French oak barrels for 12 months. Only the best barrels are selected for this Premium wine and then blend was aged a further 12 months in French oak in order to enhance its complexity and to ensure that the finished wine reflects both the passion and commitment of the Pizzorno family.
