We have been making wine for over 10 years, and it all started as a hobby. Our grandparents and parents had a passion for wine, and previous generations were also involved in wine and liquor making. We inherited this passion for wine, and after many years of dreaming and planning, it has become a reality as we seek to continue with this dream. We are a Christian family with very strong values and dedicate all our production to our Lord, making him a partner and having him in mind at every stage of our life, and now into wine manufacturing. The meaning of GADELA is Gloria A Dios En Las Alturas. Glory to God in the highest. Join us in praising God for He is good.

GOVERNMENT WARNING:
