CHARDONNAY LOS CARNEROS

VINEBURG BLOCKS: 49% B3 / 32% B1

Situated on the Carneros flats, Vineburg Vineyard is located south of Sonoma in the Los Carneros AVA. For complexity, five clones were planted on two types of rootstock, with closely-spaced vines to achieve a low yield per vine delivering intense flavors.

FIRETREE BLOCKS: 12% F / 5% E / 2% D

Tucked away in the northeastern corner of the Los Carneros AVA, Firetree vineyard is located off a narrow road that winds through the hills. The steep, 30- to 50-degree slopes of sandstone and shale, complemented by the San Pablo Bay's cooling influence create a classic site for Chardonnay.
