St. Clair Vineyard

The nature of Pinot Noir, more than any other grape variety, is that it reflects the vineyard where it was grown. The French call it *terroir*. It is this intriguing aspect that prompts us to offer the Single Vineyard Selection series.

Each year we bottle a small amount of the St. Clair Vineyard for family and friends. You will recognize its familiar distinctive cinnamon/cherry pie fragrance overlying an earthy quality, all neatly wrapped up in a pretty, elegant package.
