Vineyard Production:
53 Tons from 48 Acres
Selection: 25 %

90 Monte Bello, bottled March 92

This ideal growing season produced lower-than-usual yields and a marked concentration of fruit, color and tannin. We made separate wine from each of the ten different sections of the vineyard. In the assemblage, the softer, less intense wines—amounting to twenty-five percent of the total—were held out. The first press was included, and a portion of the wine was fined early in the aging process to moderate tannin. It is well-balanced, full and quite lovely now, but will continue to develop for another twenty years. This may be the finest vintage since 1970. PD (2/92)

Founded in 1959 when there were less than 70 active California wineries, Ridge was one of the first of today's small, fine producers. Close adherence to traditional winemaking techniques has set Ridge apart. It determines our style and includes natural yeast sub-merged cap fermentations, racking to achieve clarity, and filtering only when necessary for stability. Our winery and estate vineyards are located above 2300 feet on Monte Bello Ridge in the Santa Cruz Mountains and overlook San Francisco and the Bay Area.
