LONE TREE VINEYARD

TEXAS ALCOHOLIC BEVERAGE COMMISSION

I have found it is impossible for *one* vineyard site to produce great Cabernet Sauvignon, Sauvignon Blanc and Shiraz grapes but these are the wines I love to make. The "FOREFATHERS" concept is my salvation because we can farm separate appellations for each of these three varieties from three vineyards around the New World.

I consider these appellations to be the FOREFATHER appellation for each variety. Being in the perfect place eliminates the need to blend, with complexity coming from the soil and microclimate. This wine is 100% single vineyard, 100% single variety, and 100% single appellation.

The Lone Tree Vineyard in Alexander Valley sits above the valley floor on one of three uniquely different knolls. This southernmost knoll, facing east, allows the grapes to mature in the cool morning sun, rather than the heat of the afternoon. Resulting in longer ripening, the tannins, and fruit flavors can come to full maturity.

Fuller flavors, richer tannins and a supple finish makes this one of the true standouts of the region. The Lone Tree Vineyard is a unique place and has been touted as such by some of the most esteemed wine writers. — *Nick Goldschmidt*
