ALPENGOLD EDELBRAND

Edelbrand – literally translated: Noble Brandy.
The purest and finest form of 100% fruit distillate.
Only the highest quality of fruit at the peak of
ripeness is carefully selected, mashed and
distilled.

One bottle of Edelbrand needs from 20 up to 80
pounds of whole fruit per bottle - not just the juice
- and pure water for drinking proof; nothing else.
Historically made for centuries in the alpine
regions of Austria, Germany and Switzerland,
perfected by coveted, secret recipes and
procedures only shared from generation to
generation, Edelbrand is now finally made in
Texas.

Alpengold Edelbrand – it doesn't get any better
than this.

Mashed, Distilled and Bottled by
Austrian Farms of Texas LLC, Luling, TX
