SONOMA COUNTY ESTATE

DNA VINEYARDS  
RUSSIAN RIVER VALLEY

*Pinot Noir*

Our Pinot Noir is handpicked from premium vines on our estate vineyard in the Laguna Ridge region of the Russian River Valley. It exemplifies the exceptional combination of soil and micro climate that produce some of the world's finest Pinot Noir wines.

This deeply-colored Pinot bursts with aromas of rose petal, honeysuckle, and cardamom. Flavors of ripe Santa Rosa plums with hints of new French oak will charm your palate.

DNA Vineyards is dedicated to combining decades of experience with thousands of years of grapevines' evolving genetics to produce outstanding select wines.

GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
