CA'NANI

A DEL DOTTO FAMILY WINERY
NAPA VALLEY

CABERNET SAUVIGNON

Ca'Nani Winery and Caves is a new winery we are building that takes its name from a Grimm Brothers fairy tale in the late 1800's. A rich Venetian man who lived in the country just outside of Venice had a beautiful daughter that was born a dwarf. He wanted to hide the fact by surrounding her with 17 other dwarves so that as she grew older she wouldn't recognize she was different. One day in a nearby village the boys decided to go see the beautiful princess who lived within the walls of the Villa. They bribed one of the dwarves to get into the Villa and to their surprise found out she was a dwarf. Because the dwarves allowed this they were all turned to stone and can still be seen on the walls of Ca'Nani, the house of the dwarves, in Italy. We are putting our own twist on the fable by creating a winery in the theme of Ca'Nani "House of the Dwarves".
