PIQUEPOUL BLANC

Piquepoul Blanc, an exceptionally old, yet relatively unknown variety, has proven itself over the centuries to be a stalwart producer in the warmer regions of Southern France. Light bodied, crisp acidity, and subtle aromas of apple and citrus are just a few of its attributes. Working with locally sourced grapes, we have found Piquepoul Blanc to be a dynamic and suitable grape for the Texas climate. Gentle, whole cluster pressing, cold fermentation, and extended time maturing on the lees have brought layers of richness and complexity to the wine. Perfectly fruity and crisp, our Piquepoul Blanc is the perfect match to any seafood! McPherson Cellars was created to honor my father, Dr. Clinton "Doc" McPherson, a founder and pioneer of the modern Texas Wine Industry
