"Simplicity is the final achievement."
FREDERIC CHOPIN

1810-1849

Chopin Vodka has elevated Poland's national spirit to an art form. The same passion Frederic Chopin conveyed so eloquently in his music is captured in every bottle of his namesake vodka. Carefully cultivated from farm to bottle in Poland's fertile Podlaskie countryside, Chopin is composed of the finest winter wheat and purified artesian well water. These are distilled using simple methods handed down through six centuries. The result is a complex vodka of singular flavor - delicate bread dough nose, initial hints of honey on the front palate finishing with slight notes of butterscotch for a clean balanced finish. Sip it or mix it and savor the artistry.
