CLARK & TELEPHONE

2018 SANTA MARIA VALLEY
SANTA BARBARA COUNTY

Our Clark & Telephone Vineyard is located on a mesa in the coastal weather channel of the Santa Maria Valley. This maritime site, planted "own root" to the Martini clone in 1972, yields loose clusters with small, intensely-flavored berries. Through intensive pruning and crop-thinning techniques, we are able to bring the composition of these grapes into balance at harvest while preserving the spice-box notes, elegant texture and rich fruit core that are the hallmarks of the site.

Soil:	<i>Pleasanton sandy loam</i>	Season (Bloom to Harvest):	<i>5/28/18 to 9/15/18</i>
Climate:	<i>Cool fog, sunny</i>	Growing season avg. high temp:	<i>72.8° F daytime</i>
