LAMBRUSCO
EMILIA • INDICAZIONE GEOGRAFICA TIPICA
made with organic grapes

Proud of their region and confident in their winemaking abilities, our founding grape growers from the hilly vineyards south of Reggio Emilia joined together to establish Albinea Canali in 1936. Crafted from organically grown grapes that reflect our respect for the environment, this wine celebrates their achievement, with its deep violet color, tingly taste, summer-fruit bouquet and subtle sweetness.
