Sauvignon Blanc

organic wine

CONTAINS ONLY NATURALLY OCCURRING SULFITES
NO ADDED SULFITES

Alcohol 14.1% by volume

Our climate ripens Sauvignon Blanc grapes with hot days and cool nights, making wines that have tropical aromas of pineapple and passion fruit with a lemony finish and gentle acidity. This wine is bright and clear and is excellent with spicy coconut lemongrass soup, sushi, or a Sunday brunch. Starting with grapes grown on organic family farms, this wine was crafted in accordance with the USDA organic winemaking standards, with no added sulfites. We ferment our wines with traditional yeast. All Frey wines are organic, from the vineyard, to the cellar, to the table. No preservatives. Store in a cool place. Serve chilled.
