ARBEG DAY - FOR THOSE WHO NOSE!

As the ARBEG COMMITTEE well knows, there's nothing better than an Ardbegian 'get together'. Whether it's a knees-up here on Islay or a shindig with fellow members on home turf, it's the perfect excuse to bond over the peaty complexity of the *Ultimate Islay Malt*. So welcome to our inaugural ARBEG DAY bottling! Wherever you are in the world, we hope you'll join with us to test your peaty noses on our latest Committee release.

Speaking of getting together, ARBEG DAY is a spectacular fusion of two different styles of ARBEG: the first being sweet and spicy (vanilla fudge, chocolate limes, cloves, aniseed balls); the second a powerful, deep, botanical ARBEG. When brought together for six months in re-fill sherry butts, they have combined beautifully: the soft with the strong, the sweet with the dry, all leading to a sensational balance of sweetness and smoke. So -- let's RELEASE THE PEAT... together!
