APPELLATION D'ORIGINE PROTÉGÉE

Ce vin dense possède une robe intense à la teinte pourpre. Le boisé puissant de ce vin rouge lui confère un nez agréable et complexe. Fruité et charpenté, ce vin développe une bonne matière et une certaine longueur en bouche. Ce vin à la belle matière généreuse sera à déguster sur des magrets ou un confit de canard. À apprécier entre 14 et 16°C.

This dense wine boasts an intense crimson-tinted robe. The powerfully woody nose of this red makes it both pleasant and complex. Fruity and rich, this wine is of good substance and offers a certain length on the palate. This wonderful wine offers a full-bodied palate where we can taste breast or confit of duck. Best appreciated between 14 & 16°C.
