ALESMITH
• BREWING COMPANY •

Our hometown of San Diego is considered the epicenter of its namesake style of India pale ale – extremely crisp, highly drinkable beers brimming over with hop aromas and bright yet not overly bitter hop flavors. AleSmith IPA is the progenitor of this rightfully popular style. A bright bouquet of grapefruit and tangerine aromas gives way to an abundance of fresh piney, tropical notes on the taste buds with lingering resinous sensations in the finish for a quintessential San Diego IPA experience showcasing the versatility of American hops.
