AROMA:
kaffir lime leaf, ruby red grapefruit, talc

FLAVOR:
lemon honey, pears in syrup, mineral

FOOD PAIRINGS:

VINIFICATION:
the fruit was hand harvested and sorted, then fermented in stainless steel tanks (**no oak**) using a wild yeast. malolactic fermentation occurred naturally and finished completely, the wine remained in tank on fine-les for 5-months and bottled without fining or filtration.

SITE:
a selection of sonoma county vineyards compose this wine; while each site is distinct, they share a common soil type called "creek bed soil" which is found along the russian river, our intention for this wine is to express the unique character of this soil and region, warm days and cool nights, tempered by consistent oceanic fog, yield full and rich chardonnays balanced by brisk acidity.
