100% CABERNET SAUVIGNON

After a long search for an exceptional Cabernet Sauvignon from southern France, Jean-Christophe & Margaret Calvet discovered a small vineyard located near the Boutenac hills in the Corbières appellation. We named this wine Jadix, which means "once-upon-a-time," in homage to the Romans who cultivated the first vineyards in this region. The Jadix vineyard borders the Orbien River and is planted on terraces of gravel soils over a subsoil of limestone and some clay, which is the perfect soil for growing Cabernet Sauvignon. Jadix is fermented in traditional cement tanks followed by 2 months of oak aging. Yields are very low at 39 HL per hectare, and only 3,000 cases are produced annually. This rich and fruity Cabernet Sauvignon has intense flavors of black berry fruits, particularly black currants, spices and torrefied coffee. Enjoy it alone or with steaks, lamb, pork, grilled meats and Mediterranean styled dishes.
