Glassware:

If you think the interesting thing of Chupacabra is that it's a mythical creature, then you should know that Batch #2, even more interesting than the first, is a second release of aged on spiced rum soaked oak. It's brewed with spiced rum, brown sugar, cinnamon, nutmeg, and coconut. It's a pale and intriguing your senses. This beer pours black with notes of coffee, dark chocolate, and cinnamon. It's a delicious, spicy finish. Include in all your suppers.
