HAUT-MÉDOC

APPELLATION HAUT-MÉDOC CONTRÔLÉE

14 hectares of family owned vineyards situated in the town of Saint-Seurin in the heart of the Médoc region/north of Saint-Estèphe. A traditional variety of grape that unites a perfect balance between the smoothness of the MERLOT (50%) and the intense flavour of the CABERNET SAUVIGNON (50%), grown in a soil containing clay and gravel, all of which contributes to a powerful and well-balanced aromatic wine.

Although sediment can be present, due to limited filtering, this does not in any way affect the quality of our wine.

This wine complements meat, game and cheese particularly well. Enjoy tasting and it would be our pleasure to welcome you in our wine storehouse!
