Merlot

In the glass, Merlot is known for its overall soft, ripe and elegant profile, low tannins and very smooth finish. It's popularity comes from the fact that it is an incredibly versatile red varietal, either by itself or paired thoughtfully with foods.

Merlot is the second most planted grape in the world and is one of the most popular grapes in America.

Texas grape growers appreciate that it is easy to grow and consumers love that it is easy to drink.

Cheers!!!
