Blue Ostrich WINERY VINEYARD

"Harvest Moon" is a term for the spectacular lunar event occurring in the autumn when the moon appears nearest to the autumnal equinox, usually in September or October. This is the time of year when Blue Ostrich begins to wrap up our annual harvest activities, also known as "crush". This proprietary blend of Texas grown grapes culminates in a dry red that warms the soul as harvest comes to an end and we begin our journey into the fall.
