GARNACHA

PRODUCT OF SPAIN

Northeastern Spain is the birthplace
of Garnacha, the workhorse grape of
the western Mediterranean. On rocky
schist soils at high elevation, vines up
to a century old thrive in this seemin-
gly inhospitable environment. These
vines inspired Eric Solomon to create
Evodia, a Garnacha that captures the
aromatic vibrancy and peppery fruit
flavors characteristic of this variety
when grown in the land of its birth.
